

“...thank you for all your help as I made my way through the fabric samples and re-design choices.

I appreciated your clear perception of my design needs...and would recommend you.” HS

“...I appreciated your design work done in our bedroom. We didn't really know what to expect but it sure makes the room look bigger and we're very impressed. I just want to say a big thank you...”RD

“Frances loves the work done on her bed frame and the bed spread...

She is also very happy about the new upholstered chair...

Thank you for being there for Frances and helping her out.” ST

“The sacristy looks clean and spacious. What an improvement. The colour is lovely! Thanks for your expertise.” GB
